# **Celestial Spirit**

Uses per day

Celestial Spirit (Sp):Your divine bond allows you to enhance your weapon as a standard action by calling upon the aid of a celestial spirit for 6 minutes. When called, the spirit causes the weapon to shed light as a torch. This spirit grants the weapon a +1 enhancement bonus. This bonus can be added to the weapon, stacking with existing weapon bonuses to a maximum of +5, or it can be used to add any of the following weapon properties: defending, flaming, keen, merciful (+1), axiomatic, disruption, flaming burst, holy (+2), speed (+3), and brilliant energy (+4). Adding these properties consumes an amount of bonus equal to the property's cost. These bonuses are added to any properties the weapon laready has, but duplicate abilities do not stack. If the weapon is not magical, at least a +1 enhancement bonus must be added before any other properties can be added. The bonus and properties granted by the spirit are determined when the spirit is called and cannot be changed until the spirit is called again. The celestial spirit imparts no bonuses if the weapon is held by anyone other than you but resumes giving bonuses if returned to you. These bonuses apply to only one end of a double weapon. You can use this ability 1 times per day. If a weapon bonded with a celestial spirit is destroyed, you lose the use of this ability for 30 days, or until you gain a level, whichever comes first. During this 30-day period, you take a -1 penalty on attack and weapon damage rolls. [Paizo Inc. - Core Rulebook, p.63]

# Lay on Hands

Uses per Day

Lay on Hands (\$u):You can heal wounds (your own or those of others) by touch. Each day you can use this ability 6 times per day. With one use of this ability, you can heal 3d6 hit points of damage.

Using this ability is a standard action, unless you target yourself, in which case it is a swift action.

Despite the name of this ability, you only need one free hand to use this ability. Alternatively, you can use this healing power to deal damage to undead creatures, dealing 3d6 points of damage. Using

Channel Positive Energy. You can unleash a wave of positive energy dealing 3d6 (DC 16 for half) / day. You can unleash a wave of positive energy. You must choose to deal 3d6 points of positive energy damage to undead creatures or to heal living creatures of 3d6 points of damage. Creatures that take damage from channeled energy receive a DC 16 Will save to halve the damage. Using this ability consumes two uses of her lay on hands ability. [Paizo Inc. - Core Rulebook]

Lay on Hands in this way requires a melee touch attack and doesn't provide an attack of opportunity. Undead do not receive a saving throw against this damage. [Paizo Inc. - Core Rulebook, p.61]

## **Smite Evil**

Uses per day

Smite Evil (Su): You can call out to the powers of good to aid you in your struggle against evil 2 times per day. As a swift action, you choose one target within sight to smite. If this target is evil, you add +3 to your attack rolls and +6 to all damage rolls made against the target of your smite. If the target of Smite Evil is an outsider with the evil subtype, an evil-aligned dragon, or an undead creature, the bonus to damage on the first successful attack increases to +12. Regardless of the target, Smite Evil attacks automatically bypass any DR the creature might possess. In addition, while smite evil is in effect, you gain a +3 deflection bonus to your AC against attacks made by the target of the smite. If you target a creature that is not evil, the smite is wasted with no effect. The Smite Evil effect remains until the target of the smite is dead or the next time you rest and regain your uses of this ability. [Paizo Inc. - Core Rulebook, p.60]

#### Archetypes Oath of Labor [Allard Hoeve -Houserules, p.60]

When you take this oath, you become a protector of labor, protecting the common people, their trade and their commerce.

#### Traits [Paizo Inc. - Hell's Rebels Player's Guide, p.10] Fed-Up Citizen

Kintargo is a tough place to live if you count yourself as a law-abiding citizen. While you likely agree with most others of Kintargo that many of the laws put in place by House Thrune seem excessive, you always respected the law and honored it as best you could. You likely worship a deity such as Abadar or Iomedae -a lawful neutral or perhaps lawful good power allowed to practice within Cheliax, but only under restrictions. Yet despite this, Thrune has always made Cheliax a safer place to live. But with recent events, enough is enough. As much as it pains you to admit, the law of the land is now manifestly and obviously not correct, and something must be done to oppose this misuse of power. You're good at hiding your true colors and faith to avoid attracting the wrong kind of attention. You gain a +1 bonus on Disguise checks, and Disguise is always a class skill for you. In addition, when someone uses detect good or detect law on you, your effective Hit Dice are 4 lower than their actual total when someone discerns the strength of your aura. If you are a cleric, paladin, or similar divine spellcaster, you treat yourself as if you were a standard- aligned creature rather than a divine spellcaster for these purposes. This means that until you become 9th level, you won't radiate an aura of good or law at all when someone casts one of these detection spells. Finally, your internal convictions that you're on the actual right of law help bolster your mindset, and you gain a +1 trait bonus on all saving throws against mind-affecting effects

#### Magical Knack (Paladin)

[Paizo Inc. - Advanced Player's Guide, p.329]

You were raised, either wholly or in part, by a magical creature, either after it found you abandoned in the woods or because your parents often left you in the care of a magical minion. This constant exposure to magic has made its mysteries easy for you to understand, even when you turn your mind to other devotions and tasks. Your caster level in Paladin gains a +2 trait bonus as long as this bonus doesn't raise your caster level above your current Hit Dice.

## **Special Attacks**

### Channel Positive Energy (Su)

You can unleash a wave of positive energy dealing 3d6 (DC 16 for half) /day. You can unleash a wave of positive energy. You must choose to deal 3d6 points of positive energy damage to undead creatures or to heal living creatures of 3d6 points of damage. Creatures that take damage from channeled energy receive a DC 16 Will save to halve the damage. Using this ability consumes two uses of her lay on hands ability.

Smite Evil (Su)

You can call out to the powers of good to aid you in your struggle against evil 2 times per day. As a swift action, you choose one target within sight to smite. If this target is evil, you add +3 to your attack rolls and +6 to all damage rolls made against the target of your smite. If the target of Smite Evil is an outsider with the evil subtype, an evil-aligned dragon, or an undead creature, the bonus to damage on the first successful attack increases to +12. Regardless of the target, Smite Evil attacks automatically bypass any DR the creature might possess. In addition, while smite evil is in effect, you gain a +3 deflection bonus to your AC against attacks made by the target of the smite. If you target a creature that is not evil, the smite is wasted with no effect. The Smite Evil effect remains until the target of the smite is dead or the next time you rest and regain your uses of this ability.

#### **Special Qualities** [ CR ]

Aura of Courage (Su) You are immune to fear (magical or otherwise). Each ally within 10 feet of you gains a +4 morale bonus on saving throws against fear effects. This ability functions only while you are conscious, not if you are unconscious or dead.

Aura of Good (Ex) [ CR ]

You project a strong good aura. Blessing of Prosperity (Su)

[ House ]

A paladin that swears an oath of labor is a patron of wealth and seeks to even the playing field for those who have unfair economic disadvantages. By expending a use of lay on hands, the paladin can instead grant a blessing to herself or a creature touched as a standard action. A blessing of prosperity lasts up to 1 hour, though the paladin who bestowed it can end a blessing's benefits early (whether it affects her or another creature) as a free action. A character who has benefited from a blessing of prosperity cannot benefit from such a blessing again for 24 hours. When using this ability, the paladin chooses one of two blessings: Either the target gains a +4 sacred bonus on Craft, Perform, and Profession checks or the target gains a +4 sacred bonus on Appraise and Sense Motive checks. This replaces the mercy gained at 3rd level.

Bonus Feat [ CR ]

Humans select one extra feat at 1st level.

#### Rebellion Rank 02 (Appraise)

[HRAP]

Training: At rank 2, then again at ranks 7, 12, and 17, each PC gains a bonus skill rank that can be immediately applied to any skill. This represents training the PC has gained through association with the increasing number of skilled workers and rebels who have joined the cause. This bonus skill rank can be applied to any skill, as if it were a bonus rank gained by earning a level in a favored class. It stacks with all other sources of skill ranks, but a character's maximum rank in any skill remains unchanged; the PC can never have more ranks in any one skill than he or she has Hit Dice. Subsequent training bonuses can be applied to the same skill or a different skill, as the PC wishes.

Rebellion Rank 03 [ HRAP ]

Gift: At rank 3, then again at ranks 6, 8, 11, 13, 16, and 18, admirers among the rebellion's supporters supply gifts and tributes to each PC. At rank 3, the gift is a single potion worth 300 gp or less. The gifts given at ranks 6, 11, and 16 are all provided as tributes of gold pieces in the amounts listed; each PC gains the listed amount. At rank 8, the gift is a piece of armor or wand worth 1,200 gp or less. Wands are fully charged (and cost the appropriate amount). At rank 13, the gift is a wand or weapon worth 5,000 gp or less. Wands are fully charged (and cost the appropriate amount). At rank 18, the gift is any magic item worth 10,000 gp or less.

Rebellion Rank 04 (Deceitful) [ HRAP

Title: At rank 4, then again at ranks 9, 14, and 19, the PCs earn a title as befits their growing power in the rebellion. While the title itself is largely just an honorific, it also coincides with the acquisition of a bonus feat or other benefit each PC has earned through a combination of training with rebellion members and self-confidence gained from the rebellion's growing strength. With the title of Guardian at rank 4, each PC gains one of the following as a bonus feat: Alertness, Deceitful, Persuasive, or Stealthy.

Celestial Spirit (Sp) [ CR ]

Your divine bond allows you to enhance your weapon as a standard action by calling upon the aid of a celestial spirit for 6 minutes. When called, the spirit causes the weapon to shed light as a torch. This spirit grants the weapon a +1 enhancement bonus. This bonus can be added to the weapon, stacking with existing weapon bonuses to a maximum of +5, or it can be used to add any of the following weapon properties: defending, flaming, keen, merciful (+1), axiomatic, disruption, flaming burst, holy (+2), speed (+3), and brilliant energy (+4). Adding these properties consumes an amount of bonus equal to the property's cost. These bonuses are added to any properties the weapon already has, but duplicate abilities do not stack. If the weapon is not magical, at least a +1 enhancement bonus must be added before any other properties can be added. The bonus and properties granted by the spirit are determined when the spirit is called and cannot be changed until the spirit is called again. The celestial spirit imparts no bonuses if the weapon is held by anyone other than you but resumes giving bonuses if returned to you. These bonuses apply to only one end of a double weapon. You can use this ability 1 times per day. If a weapon bonded with a celestial spirit is destroyed, you lose the use of this ability for 30 days, or until you gain a level, whichever comes first. During this 30-day period, you take a -1 penalty on attack and weapon damage rolls.

Code of Conduct [ House ]

All creatures are inherently equal, and those that deny this fact for their own gain do the common man harm. A struggle is meaningless if it is not done together for a greater purpose than oneself. Stand and fight with your brothers and sisters for the betterment of all. Give respect, love and kindness to the disenfranchised that find themselves without any. They are your comrades and the reason you fight. The world must change if it is to be better, and it will not change if we do not act. Do your part to make a more just future. You are not above the work that the common man does. Whenever you have the chance, labor with them as they do and work to ease their difficult lot in life.

Detect Evil (Sp) [ CR ]

At will, you can use Detect Evil, as the Spell. You can, as a move action, concentrate on a single individual or item within 60 feet and determine if it is evil, learning the strength of its aura as if having studied it for 3 rounds. While focusing on one individual or object, you do not detect evil in any other object or individual within range.

Mercy (Diseased) (Su) [CR]
Whenever you use Lay on Hands to heal damage to one target, the ability also

acts as Remove Disease with a caster level of 6.

Divine Health (Ex) [ CR ]

You are immune to all diseases, including supernatural and magical diseases, including mummy rot.

Eye for Profit [ House ]

A knight of coins adds Appraise, Knowledge (local), Perception, and Use Magic Device to her list of class skills. She gains a number of skill ranks equal to 4 + her

Intelligence modifier at each level, instead of a number of skill ranks equal to 2 + her Intelligence modifier.

Lay on Hands (Su) [ CR ]

You can heal wounds (your own or those of others) by touch. Each day you can use this ability 6 times per day. With one use of this ability, you can heal 3d6 hit points of damage. Using this ability is a standard action, unless you target yourself, in which case it is a swift action. Despite the name of this ability, you only need one free hand to use this ability. Alternatively, you can use this healing power to deal damage to undead creatures, dealing 3d6 points of damage. Using Lay on Hands in this way requires a melee touch attack and doesn't provide an attack of opportunity. Undead do not receive a saving throw against this damage.

Skilled [CR]
Humans gain an additional skill rank at first level and one additional rank

Feats

#### Fey Foundling

whenever they gain a level.

[ISWG]

You were found in the wilds as a child, bearing a mark of the First World. Magical healing works better on you.

You were found in the wilds as a child, bearing a mark of the First World. Your strange connection to the First World and the fey infuses you with life, and whenever you receive magical healing, you heal an additional 2 points/die rolled. You gain a +2 bonus on all saving throws against death effects. Unfortunately, you also suffer +1 point of damage from cold iron weapons (although you can wield cold iron weapons without significant discomfort).

Furious Focus [APG]

Even in the midst of fierce and furious blows, you can find focus in the carnage and your seemingly wild blows strike home.

When you are wielding a two-handed weapon or a one-handed weapon with two hands, and using the Power Attack feat, you do not suffer Power Attack's penalty on melee attack rolls on the first attack you make each turn. You still suffer the penalty on any additional attacks, including attacks of opportunity.

Power Attack [CR]

You can make exceptionally deadly melee attacks by sacrificing accuracy for strength.

You can choose to take a -2 penalty on all melee attack rolls and combat maneuver checks to gain a +4 bonus on all melee damage rolls. This bonus to damage is increased by half (+50%) if you are making an attack with a two-handed weapon, a one handed weapon using two hands, or a primary natural weapon that adds 1-1/2 times your Strength modifier on damage rolls. This bonus to damage is halved (-50%) if you are making an attack with an off-hand weapon or secondary natural weapon. You must choose to use this feat before making an attack roll, and its effects last until your next turn. The bonus damage does not apply to touch attacks or effects that do not deal hit point damage.

**Step Up**You can close the distance when a foe tries to move away.

Whenever an adjacent foe attempts to take a 5-foot step away from you, you may also make a 5-foot step as an immediate action so long as you end up adjacent to the foe that triggered this ability. If you take this step, you cannot take a 5-foot step during your next turn. If you take an action to move during your next turn, subtract 5 feet from your total movement.

Deceitful

[Paizo Inc. - Core Rulebook, p.121]

[CR]

You are skilled at deceiving others, both with the spoken word ans with physical disquises.

You get a +2 bonus on all Bluff and Disguise skill checks. If you have 10 or more ranks in one of these skills, the bonus increases to +4 for that skill.
