Archetypes Missionary

[Allard Hoeve -Houserules1

The missionary is the voice of her religion in the world. Where others nurture the faith among believers, an evangelist proclaims the coming glory of her deific patron and issues the clarion call to all around to heed the truth, or obey the call to war and crusade against the enemies of the church.

Traits [Fire Mountain Games -Blasphemy Knot of Thorns, p.91]

Either you have defamed the great god Mitra or you have been found guilty of worshipping one of the forbidden deities (who preeminent among them is Asmodeus). Punishment: Death by burning. Benefit: +2 trait bonus to Knowledge (Religion) and Knowledge (Religion) becomes a class skill for you.

Natural-Born Leader [Paizo Inc. - Advanced Player's Guide, p.3301

You've always found yourself in positions where others look up to you as a leader, and you can distinctly remember an event from your early childhood where you led several other children to accomplish a goal that each of you individually could not. All cohorts, followers, or summoned creatures under your leadership gain a +1 morale bonus on Will saves to avoid mind-affecting effects. If you ever take the Leadership feat, you gain a +1 trait bonus to your Leadership score.

Special Attacks

Channel Negative Energy (Su)

[Paizo Inc. - Core Rulebook, p.40]

You can unleash a wave of negative energy. You must choose to deal 9d6 points of negative energy damage to living creatures or to heal undead creatures of 9d6 points of damage. Creatures that take damage from channeled energy receive a DC 18 Will save to halve the damage. You can use this ability 3 times per day.

Swaying Word (Ex)

[Allard Hoeve Houserules, p.41]

Once per day you may speak a word of divinely inspired wisdom that causes a single creature to switch its alliance to you. The target must be within line of sight and able to hear you. If he fails his Will save (DC 26), he is affected by dominate person, except the duration is only 1 minute.

Special Qualities

Aura (Ex) [Paizo Inc. - Core Rulebook, p.]

A cleric of a chaotic, evil, good, or lawful deity has a particularly powerful aura corresponding to the deity's alignment (see the detect evil spell for details).

Aura of Evil (Ex)

[Paizo Inc. - Core Rulebook]

You project a strong evil aura.

Aura of Law (Ex)

[Paizo Inc. - Core Rulebook]

You project an overwhelming lawful aura.

Bonus Feat

[Paizo Inc. - Core Rulebook, p.27]

Humans select one extra feat at 1st level.

Bonus Spell Penetration (Outsiders) (11x)

[Paizo Inc. - Advanced Player's Guide]

Add +1 on caster level checks made to overcome the spell resistance of outsiders.

Charm of Wisdom (Ex)

[Allard Hoeve -Houserules, p.41]

You use your Wisdom modifier instead of your Charisma modifier when making Bluff, Diplomacy, and Intimidate checks.

Copycat (Sp)

[Paizo Inc. - Core Rulebook, p.48]

You can create an illusory double of yourself as a move action. This double functions as a single Mirror Image and lasts for 17 rounds, or until the illusory duplicate is dispelled or destroyed. You can have no more than one Copycat at a time. This ability does not stack with the Mirror Image spell. You can use this ability 11 times per day.

Hell's Corruption (Su)

[Paizo Inc. - Advanced Player's Guide, p.90]

You can cause a creature to become more susceptible to corruption as a melee touch attack. Creatures touched take a -2 penalty on all saving throws and must roll all opposed skill checks twice, taking the worse result. This effect lasts for 8 rounds. You can use this ability 0 times per day.

Master's Illusion (Sp)

[Paizo Inc. - Core Rulebook, p.48]

You can create an illusion that hides the appearance of yourself and any number of allies within 30 feet for 17 rounds. This ability otherwise functions like the spell Veil. The save DC to disbelieve this effect is 26. The rounds do not need to be consecutive.

Orisons

[Paizo Inc. - Core Rulebook, p.41]

You can prepare a number of orisons, or 0-level spells. These spells are cast like any other spells, but they are not expended when used and may be used again.

Public Speaker

[Allard Hoeve Houserules, p.401

A missionary gains Perform as a class skill. In addition, she is trained to project her voice with great skill and effect; the DC to hear her speak in difficult conditions is reduced by 17.

Scythe of Evil (Su)

[Paizo Inc. - Core Rulebook, p.44]

You can give a weapon you touch the Unholy special weapon quality for 8 rounds. You can use this ability 3 times per day.

Skilled

[Paizo Inc. - Core Rulebook, p.27]

Humans gain an additional skill rank at first level and one additional rank whenever they gain a level.

Spontaneous Casting

[Allard Hoeve Houserules, p.40]

An evangelist does not gain the ability to spontaneously cast cure or inflict spells by sacrificing prepared spells. However, an evangelist can spontaneously cast:

command (1st, DC 21),

hold person (2nd, DC 22),

tongues (3rd),

suggestion (4th, DC 24),

greater command (5th, DC 25),

geas/guest (6th, DC 26),

mass suggestion (7th, DC 27), sympathy (8th, DC 28) and

demand (9th, DC 29)

as a spell of listed level by sacrificing a prepared spell of the same level or higher.

Feats

Channel Smite

[Paizo Inc. - Core Rulebook, p.119]

You can channel your divine energy through your weapon.

Before you make a melee attack roll, you can choose to spend one use of your channel energy ability as a swift action. If you channel positive energy and you hit an undead creature, that creature takes an amount of additional damage equal to the damage dealt by your channel positive energy ability. If you channel negative energy and you hit a living creature, that creature takes an amount of additional damage equal to the damage dealt by your channel negative energy ability. Your target can make a Will save, as normal, to halve this additional damage. If your attack misses, the channel energy ability is still expended with no effect.

Combat Casting

[Paizo Inc. - Core Rulebook, p.119]

You are adept at spellcasting when threatened or distracted.

You get a +4 bonus on concentration checks made to cast a spell or use a spell-like ability when casting on the defensive or while grappled.

Craft Wondrous Item

[Paizo Inc. - Core Rulebook, p.120]

You can create wondrous items, a type of magic item.

You can create a wide variety of magic wondrous items. Crafting a wondrous item takes 1 day for each 1,000 gp in its price. To create a wondrous item, you must use up raw materials costing half of its base price. See the magic item creation rules in Chapter 15 for more information. You can also mend a broken wondrous item if it is one that you could make. Doing so costs half the raw materials and half the time it would take to craft that item.

Divine Leadership

[Allard Hoeve - Core Rulebook, p.129]

You attract followers to your cause and a companion to join you on your adventure.

This feat enables you to attract a loyal cohort and a number of devoted subordinates who assist you. A cohort is generally an NPC with class levels, while followers are typically lower level NPCs. See Table 5-2 for what level of cohort and how many followers you can recruit.

Greater Spell Focus (Enchantment)

[Paizo Inc. - Core Rulebook, p.125]

Any spells you cast from your chosen school of magic are very hard to resist.

Add +1 to the Difficulty Class for all saving throws against spells from the school of magic you select. This bonus stacks with the bonus from Spell Focus.

Greater Spell Penetration

[Paizo Inc. - Core Rulebook, p.125]

Your spells break through spell resistance much more easily than most.

You get a +2 bonus on caster level checks (1d20 + caster level) made to overcome a creature's spell resistance. This bonus stacks with the one from Spell Penetration.

Heighten Spell

[Paizo Inc. - Core Rulebook, p.126]

You can cast spells as if they were a higher level.

A heightened spell has a higher spell level than normal (up to a maximum of 9th level). Unlike other metamagic feats, Heighten Spell actually increases the effective level of the spell that it modifies. All effects dependent on spell level (such as saving throw DCs and ability to penetrate a lesser globe of invulnerability) are calculated according to the heightened level. The heightened spell is as difficult to prepare and cast as a spell of its effective level.

Quicken Spell

[Paizo Inc. - Core Rulebook, p.132]

You can cast spells in the fraction of the normal time.

Casting a guickened spell is a swift action. You can perform another action, even casting another spell, in the same round as you cast a quickened spell. A spell whose casting time is more than 1 round or 1 full-round action cannot be guickened. A quickened spell uses up a spell slot four levels higher than the spell's actual level. Casting a quickened spell doesn't provoke an attack of opportunity.

Spell Focus (Enchantment)

[Paizo Inc. - Core Rulebook, p.134]

Any spells you cast of your chosen school of magic are more difficult to resist.

Add +1 to the Difficulty Class for all saving throws against spells from the school of magic you select.

Spell Penetration

[Paizo Inc. - Core Rulebook, p.134]

Your spells break through spell resistance more easily than most.

You get a +2 bonus on caster level checks (1d20 + caster level) made to overcome a creature's spell resistance. Escape Route
