MAGIC

Languages
Common, Draconic, Goblin

Other Companions

Archetypes	
Knife Master	[Paizo Inc. - Ultimate Combat, p.72]
The knife master is a trained killer who specializes in close-up combat and the wave and weave of knife fighting. In her hands, daggers and other similar light blades become truly deadly instruments.	
Scout	[Paizo Inc. - Advanced Player's Guide, p.134]
Not all rogues live in the city. Scouts frequently roam the wilderness, often banding together as bandits, but sometimes serving as guides, as trailblazers, or as companions to a ranger or barbarian warrior. More comfortable with sneaking and hiding outdoors, the scout is still effective in the city and the dungeon.	

Traits	
Beast Bond (Handle Animal)	[Paizo Publishing - Ultimate Campaign, p.59]
You share a close bond with animals. You gain a +1 bonus on Handle Animal checks and Ride checks. One of these skills (your choice) is always a class skill for you.	
Reactionary	[Paizo Inc. - Advanced Player's Guide, p.328]
You were bullied often as a child, but never quite developed an offensive response. Instead, you became adept at anticipating sudden attacks and reacting to danger quickly. You gain a +2 trait bonus on Initiative checks.	

Special Attacks	
Sneak Attack (Ex)	[Paizo Inc. - Core Rulebook, p.68]
If you can catch an opponent when he is unable to defend himself effectively from your attack, you can strike a vital spot for extra damage. Your attack deals 2d4 points of extra damage anytime your target would be denied a Dexterity bonus to AC, or when you flank your target. Should you score a critical hit with a sneak attack, this extra damage is not multiplied. Ranged attacks can count as sneak attacks only if the target is within 30 feet. With a weapon that deals nonlethal damage, you can make a sneak attack that deals nonlethal damage instead of lethal damage. You cannot use a weapon that deals lethal damage to deal nonlethal damage in a sneak attack, not even with the usual -4 penalty. You must be able to see the target well enough to pick out a vital spot and must be able to reach such a spot. You cannot sneak attack while striking a creature with concealment.	

Special Qualities	
Advanced Talents	[Paizo Inc. - Ultimate Combat, p.72]
The following advanced rogue talents complement the knife master archetype - another day**, confounding blades*, deadly sneak**, entanglement of blades**, and unwitting ally*.	
Blade Sense (Ex)	[Paizo Inc. - Ultimate Combat, p.72]
At 3rd level, a knife master is so skilled in combat involving light blades that she gains a +1 dodge bonus to AC against attacks made against her with light blades. This bonus increases by +1 for every three levels, to a maximum of +6 at 18th level. This ability replaces trap sense.	
Evasion (Ex)	[Paizo Inc. - Core Rulebook]
You can avoid damage from many area-effect attacks. If you make a successful Reflex saving throw against an attack that normally deals half damage on a successful save, you instead take no damage. Evasion can only be used if you are	

wearing light armor or no armor. If you are helpless, you do not gain the benefit of evasion.	
Fast (Ex)	[Paizo Inc. - Advanced Race Guide, p.115]
Goblins have a base speed of 30 ft.	
Finesse Training (Ex)	[Paizo Inc. - Pathfinder Unchained, p.20]
At 1st level, a rogue gains Weapon Finesse as a bonus feat. In addition, starting at 3rd level, she can select any one type of weapon that can be used with Weapon Finesse (such as rapiers or daggers). Once this choice is made, it cannot be changed. Whenever she makes a successful melee attack with the selected weapon, she adds her Dexterity modifier instead of her Strength modifier to the damage roll. If any effect would prevent the rogue from adding her Strength modifier to the damage roll, she does not add her Dexterity modifier. The rogue can select a second weapon at 11th level and a third at 19th level.	
Hidden Blade	[Paizo Inc. - Ultimate Combat, p.72]
A knife master adds 1/2 her level on Sleight of Hand checks made to conceal a light blade. This ability replaces trapfinding. Bonus +1	
Rogue Talents	[Paizo Inc. - Ultimate Combat, p.72]
The following rogue talents complement the knife master archetype - befuddling strike**, combat trick, offensive defense**, surprise attack, underhanded*, and weapon training.	
Skilled (Ex)	[Paizo Inc. - Advanced Race Guide, p.18]
Goblins gain a +4 racial bonus on Ride and Stealth checks.	
Sneak Stab (Ex)	[Paizo Inc. - Ultimate Combat, p.72]
A knife master focuses her ability to deal sneak attack damage with daggers and similar weapons to such a degree that she can deal more sneak attack damage with those weapons at the expense of sneak attacks with other weapons. When she makes a sneak attack with a dagger, kerambit (page 130), kukri, punching daggers, starknife, or swordbreaker dagger (Advanced Player's Guide 178), she uses d8s to roll sneak attack damage instead of d6s. For sneak attacks with all other weapons, she uses d4s instead of d6s. This ability is identical in all other ways to sneak attack, and supplements that ability. [Knife Master Sneak Attack 2d8; Regular Sneak Attack 2d4]	
Underhanded* (Ex)	[Paizo Inc. - Pathfinder Unchained, p.70]
A rogue with this talent gains a +4 circumstance bonus on all Sleight of Hand checks made to conceal a weapon. Furthermore, if she makes a sneak attack during the surprise round using a concealed weapon that her opponent didn't know about, she does not have to roll sneak attack damage, and the sneak attack deals maximum damage. A rogue can only use the underhanded talent a number of times per day equal to her Charisma modifier (minimum 0).	
Weapon Choice (Dagger) (Ex)	[Paizo Inc. - Pathfinder Unchained]
Dexterity to Damage with Dagger	

Feats	
Quick Draw	[Paizo Inc. - Core Rulebook, p.131]
You can draw weapons faster than most. You can draw a weapon as a free action instead of as a move action. You can draw a hidden weapon (see the Sleight of Hand skill) as a move action. A character who has selected this feat may throw weapons at his full normal rate of attacks (much like a character with a bow). Alchemical items, potions, scrolls, and wands cannot be drawn quickly using this feat.	
Two-Weapon Fighting	[Paizo Inc. - Core Rulebook, p.136]
You can fight with a weapon in each of your hands. You can make one extra attack each round with the secondary weapon. Your penalties on attack rolls for fighting with two weapons are reduced. The penalty for your primary hand lessens by 2 and the one for your off hand lessens by 6. See Two-Weapon Fighting in Chapter 8.	
Weapon Finesse	[Paizo Inc. - Core Rulebook, p.136]
You are trained in using your agility in melee combat, as opposed to brute strength. With a light weapon, rapier, whip, or spiked chain made for a creature of your size category, you may use your Dexterity modifier instead of your Strength modifier on attack rolls. If you carry a shield, its armor check penalty applies to your attack rolls.	

Proficiencies
Battle Aspergillum, Bayonet, Blowgun, Boar Spear, Brass Knuckles, Cestus, Club, Hand Crossbow, Heavy Crossbow, Light Crossbow, Dagger, Punching Dagger, Dart, Gauntlet, Spiked Gauntlet, Grapple, Javelin, Longspear, Heavy Mace, Light Mace, Mere Club, Morningstar, Quarterstaff, Rapier, Rock, Sap, Shortbow, Shortspear, Sickle, Sling, Spear, Boar Spear, Ray Spells, Touch Spells, Splash Weapon, Stake, Short Sword, Unarmed Strike, Underwater Heavy Crossbow, Underwater Light Crossbow
